

## **BCU Board Member Position Description**

**Overview:** The Boston Cyclists Union (BCU) Board of Directors is a diverse group of local leaders committed to advancing the mission and vision of the organization by providing strategic and management oversight, ensuring financial and organizational health, and spearheading outreach, fundraising and promotion of the BCU to the broader community. As the BCU's highest leadership body, the board provides governance to the Boston Cyclists Union organization, stewarding and protecting its mission while representing the organization to the community, and accepting ultimate legal and fiduciary authority for it.

**The BCU's mission:** Our mission is to transform the streets of Greater Boston into equitable and inviting people-centered spaces affording access and connection for every body. We accomplish this through organizing, advocacy, public actions, and holding city and state agencies accountable to build out the network of safe, protected bike infrastructure.
